Colonel Robert W. Rowden, USAF  
Commander  
Air Force Weapons Laboratory (AFSC)  
Kirtland Air Force Base  
New Mexico 87117

Dear Bob:

Mr. James R. Schlesinger, Director of Central Intelligence, has asked me to respond to your letter of 22 March 1973 and to inform you of the selected individuals who will be attending your symposium, "Advanced Weapon Research and Development During the Next Decade," 30 April through 2 May 1973.

Individuals who will be attending, besides myself, are as follows:

STAT

[redacted] GS-18  
Special Assistant to the Director of Central Intelligence

STAT

[redacted] GS-16  
Chief, Physical Sciences and Engineering Division  
Office of Scientific Intelligence

STAT

[redacted] GS-16  
Chief, Nuclear Energy Division  
Office of Scientific Intelligence

Lt. Colonel John D. Hunsuck, Symposium Manager, has already been provided by phone with the names of the above individuals. In addition, the requested security clearances, to include the AEC clearance, for all attending have been provided to him by wire.

This letter will also serve to confirm that AEC Forms 277 on the above individuals are on file at the Atomic Energy Commission in Germantown. My AEC Form 277 is in process.

I request appropriate accommodations for myself and the individuals attending as well as ground transportation. Information with respect to ETA and ETD and mode of travel to and from Kirtland AFB for all attending will be provided as soon as it has been determined.

Sincerely

[Redacted Signature]
